

## Claiming Storefronts That Trail's End Has Reserved

To **TAKE** advantage of Storefront Claiming, you must be a registered leader in the Trail's End Popcorn system.

Trail's End has partnered with our Council to provide Units with storefront booking by contacting storefronts in your area which you can now claim.\*\*

As a Kernel, all you will need to do is sign in, sign up, and encourage your Scouts to claim and sell!

For **ALL** other stores not on the Trail's End list, feel free to contact them directly to make arrangements. \*\*\*

### **HOW it WORKS:**

**View storefronts and sign up through the TE Unit Leader Portal.**

See which storefront locations, dates and times work best for your Unit.

View the date your Council allows you to claim within the 'Storefront Reservation' section.

**When you claim a storefront booth, the storefront day and shift schedule will be added to the TE Unit Leader Portal for you.**

Your Scouts will be able to sign up for shifts in the Trail's End App.

**\*\*Please do not contact any of the stores listed in the Leader Portal. Trail's End will be responsible for contacting these stores.**

\*\*\*If you've booked a store that isn't on this list, please enter that store into the Storefront Management tab in the Leader Portal.
