MAKE THE MOST OF EMPLOYEE GIVING

Many companies match employee donations or memberships to nonprofits like ours, effectively doubling your support. If you volunteer with us, your company may even offer a grant recognizing your service.

HOW TO GET STARTED

Requesting a matching gift or volunteer grant is usually a quick and simple process and must be initiated by the donor/volunteer.

- You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process.
- Search our database to see if your company is listed to give a match and for company specific instruction by scanning the QR Code. <https://doublethedonation.com/patriotspath>
